Contact Name: Bill Scatchard	Ingenix CareTracker EMR
Phone: 401.553.0663	
Year Established: 1993	
CCHIT Certified: Yes	Average Cost:
Year Certified: 2008	\$200 per provider per
Type: ASP	month
Key Clinical Areas:	
Over 30 practice specialties.	
Description:	
<p>Ingenix CareTracker EMR is a web-based, CCHIT certified application, fully integrated with all the operational functions of the practice. CareTracker EMR protects privacy and gives physicians the information they need to deliver high-quality care while maintaining safety, cost efficiency, and convenience. Its interfaces and bridges with most organizations in the New England area can help physicians qualify for stimulus payments through automatic prescriptions, safe and secure connectivity with labs, pharmacies, hospitals, and more. Auto-prompting for Physician Quality Reporting Index (PQRI) helps physicians submit reports on clinical quality measures. CareTracker EMR can help your practice achieve greater efficiency and smoother day-to-day operations.</p>
