## 2. Parking Guide

### DAY VISITORS (During Normal Office Hours):

Parking is located in LOT F next to #291 Promenade Street. There are a few visitor spots also located on Beach Street; however, these are limited. Do not park in the Visitor Lot next to #275. When walking from LOT F, follow the crosswalk along Promenade Street to Holden Street. Take a left on Holden Street and then a right onto Beach Street. The Main Entrance to #235 will be on your right. Once in the building, you will find a set of elevators shortly on your right. Take the elevators to the 6<sup>th</sup> floor and they will open up directly into our suite.

### NIGHT VISITORS (After Normal Business Hours):

You may park in any open space that is not secured or otherwise marked handicapped (unless authorized) or reserved. It is suggested that you park in DEM Visitor Parking, Visitor Parking on Beach Street, or Visitor Parking in Lot A. These will be the closest by distance.
