6:00 – 8:00 PM Rhode Island Quality Institute Offices, 235 Promenade St., Providence, RI

Vendor Demo Night: Greenway

Greenway® will be showcasing PrimeSUITE®, our flagship EHR, practice management and interoperability solution. PrimeSUITE features a single-database platform that provides full integration of Greenway's dedicated clinical, financial and administrative functions. A consistent KLAS award-winning technology, PrimeSUITE is fully certified for Stage 1 Meaningful Use criteria.

Also featured will be our PrimeSPEECH™ and PrimeMOBILE™ solutions. PrimeSPEECH provides embedded speech understanding that replaces transcription services and advances beyond simple dictation for improved ROI, time savings and accuracy. PrimeMOBILE, our mobile EHR application, provides anytime, anywhere access to ambulatory data housed in PrimeSUITE, across a range of handheld devices.

To register: please email the name of your practice, attendee name/title, and contact information (email and phone number) to: rirec@riqi.org. Upon receipt of your email, we will provide you with directions to our office and instructions for parking. *Please plan to arrive between 5:30-5:45 as a light dinner will be provided.*
